Special Notices.

"The Leading Metropolitan Steam Printing Office!"
The Business of the coming Spring, it is almost uniersally believed, will be the largest and most lucrative enjoyed for many years. Reasonably anticipating a corresponding de-mand upon them, BAKER & GODWIN, Proprietors of THE METROPOLITAN STEAM PRINTING ESTABLISHhave made the most complete arrangements for promptly exe cuting every description of MERCANTILE PRINTING.

ned to deserve the designation awarded to their office as and the public, as the LEADING PRINTING HOUSE,

LEADING PRINTING HOUSE.

LEADING PRINTING HOUSE.

that the pertains to Expedition and Excellence of Typography, the Proprietors have recently made a thorough renovation mevery department of their establishment, and have largely added to their former EXTENSIVE FONTS OF BOOK and JOB LETTER, by the purchase of ALL THE MOST BEAUTIFUL AND DESIRABLE STYLES OF TYPE AND ORNAMENTS issued by the principal Founderies of the country. Being now prepared to show specimens, they invite the attention of FUBLISHERS, OFFICERS OF FUBLIC INSTITUTIONS, MERCHANTS, BUSINESS MEN, and the Public recently to their. rally, to their NEW STYLES OF TYPE,

they possess
THE LARGEST AND MOST BEAUTIFUL COLLECTION
OF LETTER
to be found in the United States, adapted to the finest execution
of EVERY DESCRIPTION OF TYPOGRAPHY, and, for
many purposes at least, superior to Engraving or Lithography,
at less than one fifth the cost.
In addition to the unequaled display of Types just added to
this establishment, the Proprietors have also

INCREASED THE NUMBER OF THEIR PRESSES, (embracing all the best of the most celebrated makers,) and are now prepared, in every respect, to meet the largest and most urgent orders without disappointment or delay.

The business of this office embraces the printing of

The business of this office embraces the printing of Books of Evyrey kind.

MEDICAL AND LEGAL CASES.

AND EVERY OTHER VARIETY OF WORK, IN THE FIRST STYLE OF THE ART, AND THE LOWEST CASH PRICES.

Aiming still, as heretofore, to improve the character of the profession to which they have been so long and successfully devoted, the Proprietors confidently assure their friends and patrous that their Facilities, Means and Opportunities were never so complete and satisfactory; and they trust, by pursuing the same close and assiduous attention to their calling, to most with the increased favors and approval of the public.

BAKER & GODWIN, PRINTERS,

Corner of Nessau and Spruce Streets, opposite the City Hall,

MAYOR'S OFFICE, NEW-YORK, Feb. 23, 1856. Notice is hereby given that the following provisions an Ordinance passed by the Common Council relative to Pawn brokers will be rigidly enforced, and that hereafter all complaints made for the violation of the same will be immediately

FERNANDO WOOD, Mayor.

Sections 1, 2 and 3. All persons exercising or carrying on the business of a Pawnbroker shall obtain from the Mayor, under his hand and seal, a license for the same, and enter into a recognizance with two sufficient sureties to the Mayor. Aldermen and Commonalty in the sum of five hundred dollars, conditioned for the due observance of all such ordinances of the Common Council as may be in force respecting pawnbrokers at any time during the continuance of such license.

SEC. 4. Every Pawnbroker shall keep a book, in which shall be fairly written at the time of each loan an accurate account and description of the goods, article, or thing pawned, the amount of money formed thereon, the time of pledging the same, the rate of interest to be paid on such loan, and the name and readenace of the person pawning or pledging the said goods, article, or thing.

r to the person pawning or piedging any goods, article, or g, a memorandum or note, agried by him or her, containing substance of the entry required to be made in his or her hook he last preceding section; and no charge shall be made or sived by any pawnbroker for any such entry, memorandum.

note.

Suc. 6. The said book shall, at all reasonable times, be opener the inspection of the Mayor, Recorder, Aldermen, Assistant of special justices for preserving the peace of the City of New York, or any or either of them, or of any person who shall by authorised in writing for that puryose by any or either causes who shall shibit such written authority to an entire the property of the property of the control of the puryose by any or either causes who shall shibit such written authority to an entire the property of th

SEC. 7. Every Pawnbroker who and you can be to comply with any or either of the provisions of the such, fifth or sixth section of this title, shall, for every such ease, forfeit and pay the sum of twenty-five dollar, SEC. 3. No Pawnbroker shall sak, domand, or receive 2119 eater rate of interest than twenty-five per cent per annum or the strick of th

agon any loan not exceeding the sum of twenty-five dollars, or than seven per cent per annum upon suy loan exceeding the sum of twenty-five dollars, under the penalty of one hundred dollars for every such oftense.

SEC. 9. No Fawmbroker shall sell any pawn or pledge until the same shall have remained one year in his or her possession, and all such sales shall be at public auction and not otherwise, and shall be made or conducted by such auctionness as shall be approved of for that purpose by the Mayor of the City of New-York.

Not.

SEC. 10. Notice of every such sale shall be published for at reast twelve days previous thereto, in one or more of the daily newspapers printed in the City of New York, and such notice shall specify the time and place at which such sale is to take place, the name of the auctioneer by whom the same is to be conducted, and a description of the goods or strictes to be sold. SEC. 11. The surplus money, if any, arising from any such sale, after deducting the amount of the loan, the interest these due on the same, and the expenses of the advertiguent and sale, shall be paid over by the Pawnbroker to the person who would be entitled to redeem the pledge in case no such sale had taken place.

place.

SEC. 12. No Pawnbroker shall make any loan on the separate
SEC. 12. No Pawnbroker shall make any loan on the separate
or divided part or parts of any one article or thing, and which
article or thing shall have been offered entire or collectively to
him or her by way of pawn or pledge.

SEC. 13. No Pawnbroker shall, under any pretense whatever,
purchase or buy any second hand furniture, metals, or cloths, or
any other article or thing whatever offered to him or her as a
rown or pledge.

any other lattice of thing payment of the provisions of the eighth, ninth, tenth, deventh, twelfth, or thirteenth section of the eighth, ninth, tenth, deventh, twelfth, or thirteenth section of this title, shall, for every such offense, for cit and pay the sun of one bundred dollars.

THE MORMONS AT HOME -

K A N S A S A N D U T A H,

AND OF A RESIDENCE AT THE

GREAT SALT LAKE CITY. By Mrs. B. G. FERRIS, Wife of the late United States Secretary for Utah.

One volume, 12mo. Price 75 cents.

Portions of this work have appeared in Putnam's Monthly, nder the title of "Life Among the Mermons," and have been

dence of commendation and interest. The facilities enjoyed by the author for apprehending the general public polity of the Mormon leaders, and for observing the effect of this polity upon the interior social and family life of the people, were such as to secure for her report peculiar and permanent value. We add some opinions of the Press on that portion of the work that appears in Putnam's Mouthly:

inst., and any of the \$3 Magazines one year. Subscriptions received at THE KNICKERBOCKER OFFICE, No. 348

could be properly comprehended in a Business Directory, Graetteer, and Dirictorary of Useful Arta, Manufactures, Trade, and Commerce, covering the whole of North America, as will be seen by the following plan:

First: A Commercial, Geographical, and Statistical description of North America.

Second: A Compend of the Commercial and Industrial Resources of the United States.

Third: A fall description of the Geography, Topography, Resources, Population, Products, Experts, etc., of each of the States, Territories, and the British Provinces, sliphabetically arranged.

Fourth: Under each of these States, Territories and Provinces, the name of each city and town will be given in alphabetical order, its recognical position, county to which it belongs, population, distance and direction from the nearest rail-read station or prominent commercial point, a description of its manufactures, resources, and most important interests, together with all the facilities of communication and transit, by land and water: thus making a Gazetteer for each State. Territory, etc., all of which combined will form a complete Gazetteer for aimous the whole of North America.

Fifth: Under each of these towns, eiter, etc., will be given in alphabetical orier, each trade, business, and profession, including a list of all Corperations, Banking Institutions, with the amount of capital employed, Newspapers, with their circulation, etc.

Sixti. Under each of these, alphabetically arranged, the

which must follow its successful completion. By its Driectory or Triede-Lists, the capitalist, the producer, the shipper, the factor, the trader, and the consumer in each branch of human industry, are possessed of immediate means of correspondence; thus furnishing Buyer and Seller a vehicle of communication immersely superior to all former applicates, and in accordance with the spirit of the age.

The whole pian and conception of this stopendous undertaking have been months maturing, and the details are already arranged for its successful and immediate completion.

We rely with perfect security upon its high appreciation by the entire business community to indemnify us for the large outlay that we incur in its and their behalf, and we ploude outselves to the complete and faithful execution of what we have assumed.

O UR SLAVE STATES.

Anther of Walss and Talks of an American Farmer in England.

AJOURNEY

A JOURNEY

IN THE

SEABOARD SLAVE STATES.

I vel., 12me., cloth, 725pp. Wood Cuts. Price \$1.26.

From The Boston Intelligencer.

A manly style, healthy and vigorous, marked the former work of this author, and few of our readers who remember the American Farmer in England's will sake us commend to their strentian Mr. Olmsted's present work. He has spared us that trouble; for he is not forgotten, but lives in the me nories of all who read the work we have alluded to. The strong prejudice existing in his mind is as well diagnized in the work before us as we could expect; and we think this work will exert a great influence upon the public mind. It is written in a fair, open and honerable manner; and its candid style challenges able refutation rather than succeting contempt. It cannot be met by weakness, but wheever would cope with its author must couse well armed and without a fear. There is a fascination about this work we seldem see in books of tontists' travels; and it deserves the eareful perusal of every man, woman and child, for it treats of subjects interesting the future as well as the present. We think it must meet with a very large sale.

From The Boston Journal.

"We know of no person whom we would more willingly trust to make a tour of observation in the Southern States than the author of 'Walks and Talks of an American Farmer'in England.' Mr. Olmsted is a shrewd, careful, accurate observer of men and thrues, and he reports the result of his travels faultly, impartially, honerly, and in plain, pithy English. The present volume is a revised republication of the letters originally contributed to The N. Y. Daily Times, in 1830, under the signature of 'Yeoman,' and it presents the best sain most antiafactory view of the South, its institutions and people, that we remonster ever to have seen in print. The book concludes with a most able and decisive comparison of the comparative value of slave and free labor, and the relative condition of slave and free labor, and the relative condition of slave and free lab

experience as he traveled leisurely slong in the domains of the planter, gaining information on the arricalture, productions, and customs of the land, and especially on the subject of Slavery and its influences.

To those who wish for information on our Southern country we can freely commend this book as a substantial and well prepared narrative of how things look and are in a region of the earth that is to most Northerners far less known, and deemed far less accessible, than Greet Britain or Europe. The industry of the author has been great; his inquiries minute and well pointed; and he has brought away from his field of research interesting traits and peculiar details that demand a pen and a mind seigeneris to catch and depict.

"In each of these States Mr. Olmsted has not only vary carefully observed the condition of the slave, but he has also, with all the ardor of a practiced statistician, studied the workings of the institution, its influence as well upon the master as the servant, the profit accruing from forced labor, the prospects of Slavery, &c. That his work has been done honestly we cannot doubt, for the worker is neither an out-and-out Garrisonian, nor even, we believe, a committed Free-Soiler, Purely a democratic his conceptions of the true life, his aim has been to regard the workings of the artificial life, the caste socialism of the regions in which a part of the population is obliged to work, not

bly as society it is worth all the neurons studious perusal."
nine negrophilists, and will well repay a studious perusal."

O N
BY MARION HARLAND.

For human love, and never quench that this:

To pour the human seul out, winning no return—
O'er fragile idos, by delusions nursed—
On things that fail us, read by reed, to lean,
To mourn the changed, the far away, the dead,
To send our troubled spirits shrough the unseen.
Intensely questioning for treasures fled."
One clegant l'imo, uniform with the "Hidden Path."
Price, \$1.25.

"It has created quite a sensation in literary circles, and met with an unusually large sale. It has been reprinted in England, France and Germany, and has already acquired for the youthful authories an envised reputation as a writer of originality and genius. "Alone" is a novel something after the class of 'Shirley' and 'Jane Evre,' in many of its characteristics, but infinitely superior to both of those brilliant works of fiction in its moral purity of tone and delicacy of sentiment. Leas skillful in its plot, it is yet more natural and lifelike, and if not so intensely worked up in its details to that pitch of excitement which satisfied readers of romance sequire, it is nevertheless more pleasing to these who prefer truthful pictures of life to exagerated and overwrought descriptions of human character. Its Ross, the hereine of Alone, while possessing masculine upon the substitution of the displaying all the strength of intellect of the plain little Jane Eyre, has none of her disagreeable coarseness. "Charley, another of the dramatic persons, is a decided character—one of those creations which live in the memory for years.

"Marion Harland, the author of 'Alone' and the 'Hidden Path,' is the nom de plume of Mass Mary Virgina Hawes of Richmond, Va., the daughter of Sanuel P. Hawes, equ. a native of Dorchester, Mass. Miss Hawes, consequently, though of Southern birth, is helf Yankee by extraction; and Dorchester, which recently furnished us with the author of the Lampilaber, may also claim a paternal interest in the writer of 'Alone,' one of the most promising and talented female novelists in the country."

Also, now reedy the eighteen

Also, now ready the eighteenth Edition of THE HIDDEN PATH,

THE HIDDEN PATH,

BY MARION HARLAND.

Author of "Alone."

"Virginia's fair daughter has given us another of those picturings test tell upon the heart. We can almost say, as "G. S." to Isabell; 'I was weary, and you rested me—and you taught me hope.' The young who walk wearly and alone, in the earnest path of life, may perchance gather a little strength from the contemplation of "Bella's" gestle faith and endurance. There is many a 'Hidden Path' near the dusty, highways of life, that all unseen as they are by careless travelers, lead at least althur in time or eternity to a peaceful vale beyond. It enhances not a little the interest of the work to know that 'Grace Greenwood' is the supposed original of Isabel.'" [Leddes Repository." It will every way sustain the praise so worthily won by the author's first effort. It exhibits the same healthful sentiment and beautiful feeling, the same truthful simplicity, and yet charming elegance, the same just appreciation of different phase of social and domestic life. The tale is one of American life, and is most spitly and gracefully wrought."

THE HISTORY OF THE LIFE AND INSTITUTE OF ST. IGNATIUS LOYOLA.

Founder of the Society of Jesus.

Translated from the Italian of Barteli by Madame Calderon DE La Barca, Authorees of "Life in Maxico."

Barteli's works are classics, and this is his masterpiece. The accomplished translator, whose works have won the applause of Prescott, does full justice to the original.

The Literary Gazette says: "An excellent version of the life of the energitic founder of the Society of Jesus."

Futnam's Monthly says: "This is the most interesting, if not in all respects the most able life of ignatine that we have. Barnolis as charming marrator, and Madame Calderon has randered the liquid periods of the Italian into clear and graceful English."

The Evening Mirror says: "So valuable a work, giving a highly authentic life of the founder of the Society of Jesus and cursory perusal."

The Cleveland Plaindealer says: "Authentic information, in these uncharitable times, is far preferable to vague suggestions."

[N. Y. Courier.]

THE CREOLE ORPHANS; OT, LIGHTS AND SHAROWS OF SOUTHERN LIFE.

A tale of Louisiana, by Jan S. Peacocke, M. D., of Mice scippi. "It has the clear ring of the true metal, and must be read with absorbing interest. The opening chapters are very thrilling, and we have not in some time more movilingly foregone an anticipated pleasure than in ceasing before we had read the last word. Gas is insensibly, but very pleasantly reminded in reading of that most tropical of all books, Prof. J. H. Ingraham's "Quadroch."

"The scene opens in the British West ladies, at Kingston, Jamaica, and from there, by a series of giowing, behatful and highly dramatic pictures, we are introduced to the pleasures, occupations and demestic refinements of an opulent and accomplished planter's home. The routine of a Southern plantation, the pursuits, loves and merry-makings of the negroes are all merraced in a most winning and agreeable style, while the place of the tale, well wrought and powerfully dramatic, moves on with rapid carnestness. There are many magnificent descriptions of tropical scenery, both on land and among the archipelasts of the Carribean and the Guif, and we are even because the to the Hay of Naples and its sunny islands. There are shrilling sea stories and are adventures, with fishing and hunting excursions along the rivers and bayous of Louisians, and Claude-like paintings of the exquisite dawns and sunsets of Porto Rico and Jamaica. Ormend the planter, is a noble character, traced with consummate skill, and Marie, the supposed quadron slave, afterward Ormend's wife and the adored mother of Acc and Estelle, an emchanting conception, typy frying the mis fortunes, the beside and the additional particular in the life. His laughable requesty and drumkenness, covering a dark abyes of deeper negre character, at last contributes importantly to be denorment of the story, which abounds in thrilling, pathetic and drawing a
